### PROFILE

Results-oriented UI/UX Designer and Computing undergraduate with relevant experience creating user centric web applications. Experienced in designing web applications using Figma, user journeys, and new-age web technologies such as ReactJS, NextJS. Wide range of projects include developing an AI traffic system, gamified learning applications for old people, and a wildlife conservation app. Active competitor in UI/UX challenges (SLIOT Challenge 2026). Adept at bridging the gap between design and development to deliver intuitive, engaging, and accessible digital experiences.

### PROFESSIONAL EXPERIENCE

#### Intern

The Open University of Sri Lanka

2024

Nawala, Nugegoda

- Assisted with computer hardware maintenance.
- Helped identify and fix basic hardware problems.
- Installed and checked computer components.
- Learned basic computer repair and maintenance.

#### Technical Assistant

The Open University of Sri Lanka

2023 – 2024

Nawala, Nugegoda

- Assisted with basic computer hardware and software problems.
- Helped with computer setup and maintenance.
- Supported users with common technical issues.
- Learned basic troubleshooting and network support.

### EDUCATION

#### Bsc (Hons) Computing & Information Systems

Sabaragamuwa University of Sri Lanka

2024 – Present

#### Computer Hardware Technician (NVQ 3)

Lalith Athulathmudali Vocational Training Center

2023 – 2024

- Studied computer hardware and basic troubleshooting.
- Learned about computer components and maintenance.
- Practiced basic hardware repair and installation.

#### Advanced Level Education

WP/KL Gurulugomi M.V.

2019 – 2022

- A/L in Physical Science
- Result A1, B1, C1

### SKILLS

#### Technical Skills

- **Tools:** Git, GitHub, VS Code, IntelliJ IDEA, Postman, Trello
- **Programming Languages:** C, Java, PHP, Python
- **Web Technologies:** HTML, CSS
- **Frameworks:** ReactJS, NextJS
- **Database:** MySQL, MongoDB
- **Design Tools:** Figma, Canva

#### Soft Skills

- Computer Maintenance & Troubleshooting
- Problem Solving
- Time Management
- Team Collaboration

### PROJECTS

#### My Portfolio Website 🌐

2026

It includes details and certificates of all my projects.

- **Technologies:** ReactJS with Tailwind CSS

## Simple E-commerce Web Application

2026 – Present

- **Technologies:** HTML, CSS, JavaScript

## TraffiX (Group Project)

2026 – Present

An AI-powered traffic monitoring system that leverages computer vision and machine learning to analyze real-time vehicle flow and detect road congestion.

- **Technologies:** NextJS & Tailwind CSS, Python, MongoDB, YOLO

## Eldersshield (Group Project)

07/2026 – 09/2026

A safe, gamified learning platform for the elderly to practice digital skills and identify online scams, reducing fraud vulnerability.

- **Tool:** Figma

## Wildvine

2024

This web application like a charity and conservation platform dedicated to protecting global wildlife. It aims to raise awareness about endangered species and encourages users to donate towards animal welfare initiatives like safe shelters, food, and medical care.

- **Technologies:** HTML, CSS, JavaScript

## CERTIFICATES

---

### Computer Hardware Technician

NVQ Level 3

## AWARDS

---

### As a participant in the university category of the SLIOT Challenge 2026

University of Moratuwa and SLT-Mobitel

### Certificate of participation in the "EcoPen" Competition 2025

ZeroPlastic Community of Sabaragamuwa University of Sri Lanka

## COURSES

---

### Getting started with Cisco Packet Tracer

2026

Cisco Networking Academy

### Exploring Networking with Cisco Packet Tracer

2026

Cisco Networking Academy

### Introduction to Cybersecurity

2026

Cisco Networking Academy

## ORGANISATIONS

---

### Rotaract club of Sabaragamuwa University of Sri Lanka

04/2026

Secretary

- I served as a secretary for activities related to SDG 5 (Sustainable Development Goal). We actively participated in the awareness session held on this goal and successfully concluded it. I also Volunteered for SDG 6.

### Sasnaka Sansanda - Kaluthara District

01/2025 – Present

Volunteer

### ZeroPlastic Community Sabaragamuwa University of Sri Lanka

01/2025 – Present

Volunteer
